

## 2016 GHOST IN THE NIGHT PINOT NOIR

### **Location**

Our 2016 Ghost in the Night Pinot Noir brings together fruit from several cool climate vineyard sites within Monterey County. The ideal growing region for Pinot Noir is influenced by the combination of morning sunshine and afternoon maritime breezes that cool the vineyards. A climate comparable to Burgundy results in an especially long growing season allowing grapes to fully develop and attain maximum varietal potential.

### **Notes**

Dark ruby red in color, our 2016 Monterey Pinot highlights notes of black cherry, raspberries and crushed blackberries with touches of dark chocolate and dried herbs. Medium-bodied, firmly textured and with lovely freshness, it offers delicate red berry notes and savory layers of abundant fruit; balanced acidity provides a silky and seamless finish.

Maturation – Aged for 10 months in French Oak 25% new
