

2020 Submission Rosé

Notes

Selecting fruit from various growing regions of California, our rosé wine highlights Sonoma, Mendocino, Lodi and Monterey counties.

Taste

Soft pink in color and elegant on the palate with generous notes of fresh strawberry, tangerine, white peach and rose petals. Juicy red fruit flavors and delicate notes of minerality with balanced acidity, lead to a rich and lively finish.

Blend

Grenache, syrah & mourvedre

Stainless steel fermentation
